On Sunday July 31 the T. O. O. Club of Dallas, handed the F. O. P. Club of Fort Worth a severe drubbing for the fourth consecutive time to the merry tune of 10 to 3. Seepy Byers, the T. O. O. mainstay was unbeatable. Hyman Wodmar, the Babe Ruth of the Jewish clubs, delivered three timely swats consisting of a single, three-base hit and a home run, also a base on balls. With the addition of Jake Romotsky and Jake Banks, the team is greatly strengthened. A fast double play was completed by the T. O. O. Club. Romotsky to Woodman. Our opinion of the Fort Worth team is that they have nine good umpires, not players. There was a notice in the Monitor that the Waco Y. M. H. A. has challenged the F. O. P. for the state championship. That would be a good championship game as we have defeated Fort Worth four times. The T. O. O. Club openly defies any Jewish team in the State of Texas.

Mrs. E. T. Tobias of Oklahoma City, the guest of her cousins, Mr. and Mrs. W. Garonzik, was entertained last Friday with a luncheon at the Oriental hotel by Mrs. Garonzik. During her stay in Dallas Mrs. E. L. Tobias of Oklahoma City was the honorer of many lovely affairs. Mrs. Zesmer and Mrs. L. Klienman entertained with a swimming party at the Gardner Park Natatorium, followed by a luncheon at the Parkview Club. Mrs. Max Heseson entertained with a theater party which was followed by a luncheon at the Oriental Hotel. Mrs. H. Michealson and Mrs. A. Kahn entertained with a beautifully appointed luncheon at the Oriental Hotel. Mrs. Sharfstein and Mrs. Scher also gave a luncheon for Mrs. Tobias.

Mrs. L. B. Rosenberg entertained with a swimming party at the Cascade plunge. A three o'clock luncheon was given by Mrs. Riff. Mrs. Ben Belsen and Mrs. Joe Arnoff entertained with a luncheon at the Cafe de Paris and Mrs. Jacob also gave a luncheon for Mrs. Tobias.

Mose Blumersen of Corsicana spent a few days in Dallas with his sister and mother.

EL PASO NEWS.

Recent reports in the Jewish press concerning the Mexican border trouble leaves one under the impression that it is specifically a Jewish problem. How good the intentions of the zealous writer might be we commit a great injustice to ourselves.

As for one who has dealt with me situation at first hand will make the following statement that to every Jewish immigrant who attempts to cross the border of the United States

illegally there are not less than twelve, none Jews, who make some attempt. They come from every nationality, Italians, Spaniards, Germans, Slavs, Chinese, and Japanese. The passport ordinance and the three per cent restriction has made the Mexican border a general problem and a serious one at that.

The Jews of El Paso are trying their utmost and use every form of persuasion to keep the Jewish immigrants away from the border. The commissions of the I. O. B. B. and of the H. I. A. S. who went to Mexico City no doubt accomplished to a great measure to keep them from coming to the border. Those who are already in Juarez are cared for by a local society and employment obtained for some. Many of them were made self supporting.

We feel keenly the need of Jewish papers and books for these immigrant who cannot read either English or Spanish. Any of the readers of the Monitor who can spare some Yiddish books shall forward them to

my address Rabbi Chas. Blumenthal, 1402 U. Virginia St., El Paso, Texas.
